

Homework 0

Date : Aug 9, 2020

Instructor: Mrinal Kumar

CS 711: Algebra and Computation

Autumn 2020, IIT Bombay

If you intend to register for/sit through this class, please send me a short email at (mrinal@cse.iitb.ac.in) with the following details:

1. Name, department name, batch and an email id that you use.
2. Courses done in CS-theory (algorithms/theory of computation/discrete math etc) and Math so far.
3. Expectations from this course, and in particular, any topics that you would be particularly interested in being covered in the class ?
4. Any internet access related constraints at your end:
 - Would you be able to read through the notes and watch the recorded lectures every week without any access issues ? The recordings should be about 90 minutes on average every week.
 - How frequently do you expect to attend the online office hours ?
 - If we have any live sessions during the usual class hours, would you be able to attend ?
 - If internet access is an issue, would you have have access to a reliable phone connection ?
